

## Habitat Chat

### 2025 Build Groundbreaking

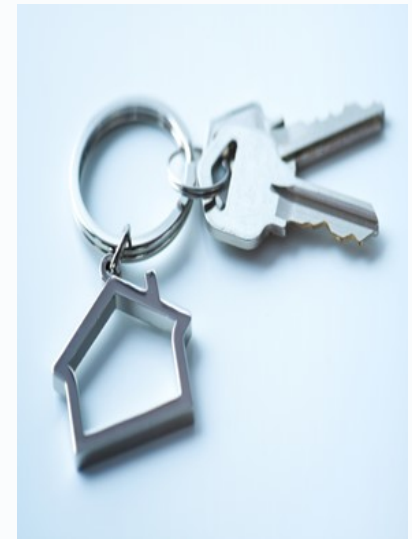

A groundbreaking ceremony was held on February 7, 2025 to mark the start of the 2025 build. Members of the community attended to join in the celebration and meet the new HFHEP partner family and wish them the best on their journey to homeownership.

From left to right: Mayor Kevin Knowles, Mike Cardello, Crystalin Holliday and son, Gretchen Kimmons and Jerry Olsen.

The Holliday family will have a mortgage based on their income. Monthly payments including principal, taxes and insurance will not exceed 30% of the household income to ensure the payment is affordable. The head of household must complete 100 hours of sweat equity on the construction of the home, while other family and community members may contribute to the remaining 150 hours.

**To donate** to the 2025 build, go to the donation link on our website [www.habitatnep.org](http://www.habitatnep.org) or send a check or money order to our office located at 630 W. Race Street, Martinsburg, WV 25401. **To volunteer**, please go to <https://habitatep.volunteerhub.com> and sign up. Watch the site and your email for volunteer opportunities and announcements. For information on other ways you can assist, please contact Robin Kees at [rkees@habitatep.org](mailto:rkees@habitatep.org) or 304-263-3154. THANK YOU!

### Habitat for Humanity of the Eastern Panhandle Events

2025 EPHBA HOME Show Participant

**VOLUNTEERS**

**<https://habitatep.volunteerhub.com>**

ReStore Manager, Dan Aufdem-Brinke, notes he is very thankful for the amount of people that have been willing to bring their donations to the drop-off area at the store. This was very helpful during the hiring of a new Donations Ambassador.

Furniture donations and sales are high. Staff would love to see an increase in donated tools and building supplies in the upcoming months to assist families in making needed repairs in their home at an affordable cost.

Volunteers are needed to work in the store as well as assisting the donations ambassador with donation pickups. For more info call Dan at 681-260-6007.
