2025 BUILD COMING SOON

Habitat is excited to announce an upcoming build in 2025. Project management will be provided by Triple Crown Construction.

Our partner family has been selected and is anxious to take this next step in their homeownership journey. When asked how she felt about this stage of the journey, Crystalin wrote, *"I feel blessed and hopeful about our future. I have had to move my kids around so much and it would break my heart each time. My daughter has moved 11 times in her life, and she is 15yrs old and my son has moved 6times and he is 8yrs old. When she was 6 we moved out of an apartment and into a camper. I packed up her entire childhood along with most of my belongings and asked my best friend if she would store our things in her basement until I got back on my feet. I am looking forward to finally, 9 years later, being able to collect our things and take them to a forever home. It means so much to my family to know we are going to have room for us AND our belongings. We are very grateful for a permanent home."*

The Martinsburg-Berkeley County Chamber of Commerce held a ribbon cutting ceremony on September 11, 2024, marking the Grand Opening of the HFHEP ReStore. Located in the Old Courthouse Square Plaza, the ReStore staff have found the other businesses and the Plaza personnel welcoming and helpful.

According to Dan Aufdem-Brinke, ReStore Manager, "It has been a pleasure to meet so many new customers, particularly our regulars who we generally see a couple times each week!"

Donations are key to the success of the store and to date, the community has been very generous with donations. To those donors we say thank-you and ask the community to continue providing the donations necessary to keep the store stocked.

Volunteers are a vital resource for the stores' operation, and we are blessed to have some faithful and dedicated ones on board. Additional volunteers to assist with donation pick-ups and store set up are always welcome. To find out how you can donate or volunteer, call Dan at 681-260-6007.
