

REQUEST FOR PROPOSAL

Habitat for Humanity of the Eastern Panhandle is soliciting proposals for the stabilization of soil piles and repair of sanitary manhole.

Work to include:

- ✚ Grade and smooth out soil piles so that all steep areas are approximately 3:1 slope.
- ✚ Reinstall silt fence at the base of the slope.
- ✚ Hydroseed entire dirt pile and surrounding area.
- ✚ Lift frame and cover from sanitary manhole, re-attach the frame to the concrete manhole with mastic cement, and replace cover in the frame.

Address of Site:

Humanitarian Way in Auburndale Subdivision, Martinsburg, WV
